

Handrail Assembly Instructions

Included with this shipment:

- (2) Handrails
- (4) or (6) Handrail Brackets based on the length of the handrails.

First install the Angled Ladder to the bed.

Next attach the Handrail Brackets to the Angled Ladder.

If you have (4) Brackets, install them 6" from each end of the handrail. If you have (6) Brackets also install one in the center of the handrail.

Attach the bracket with the (2) short screws into the Handrail and the (3) long screws into the Angled Ladder.
