

Desk Shelf / Long Shelf with Stairs Installation

2/10/22

If you ordered the Desk Shelf / Long Shelf and the Stairs and decide to not install the 2nd rung for better access to the cubbies under the stairs, then follow this set of instructions to install the shelf.

You will receive (1) 7" Desk Shelf Support which you insert into the back leg 2nd rung notch with 2-1/2" screws.

You will then install the Long 2x4 Desk / Shelf Support with 2-1/2" screws following the normal assembly instructions.
