

Sliding Drawers Assembly Instructions

The drawer pieces include the Base, Front, Back, Left and Right sides.
The Front & Back have the 2x2 support blocks already installed.

Place the Base on a flat surface and position the Front & Back at each end. Place the Right and Left sides and attach them to the base using 1-1/4" screws following the diagrams below.

If you ordered the hard floor sliders they are already installed on the bottom of the base.

If you ordered the wheels attach them using 1/2\" screws into the four corners.
